QUALITY GARDEN BUILDINGS

A range of fully insulated
and double glazed garden
offices from Summer
Garden Buildings

The Garden Office provides a new perspective for your home and garden. Move your office or hobby out of the house and into a fresh, new environment. The Garden Office creates the perfect place for working from home or for your leisure activity by creating an inspirational room in your garden. With its attractive appearance from the outside and appealing light and warm interior, it is the perfect setting for your needs - business or pleasure. Our buildings are fully lined and insulated making them warm and comfortable for all year round use.

The buildings shown in this brochure are only a guide to show what we can achieve. Each building we make is designed to your exact individual requirements. If the size or design you require is not shown in our brochure then please contact us to discuss your specific ideas and plans. Whatever style or size you want - you choose it - we'll build it.

We are proud to display this superb range of garden offices at our Cambridge Show Centre where you can appreciate the superior quality and design. If you are unable to visit please phone us and our expert advisers will be happy to answer any queries. You can phone us free 7 days a week on 0800 9777 828 or visit our website at www.summergardenbuildings.co.uk

QUALITY GARDEN BUILDINGS

Garden Office 80 and 81

Garden Office 80 is the most adaptable and practical building in our range. Windows and doors can be positioned to suit your requirements, the exact size of the buildings can also be tailored to fit your specification.

As standard Garden Office 80 comes with three 1200mm x 1200mm casement/vent double glazed windows and a single half glazed door. Garden Office 81 is identical to in all respects except that it features cottage style windows and cottage style double doors as standard. Extra windows and doors/ double doors can be added if required - see options below. All windows and doors are fitted with 4mm toughened double glazed units as standard.

Internally these offices are fully lined and insulated making them warm and comfortable for all year round use. Prior to delivery it is treated with three coats of medium oak stain, should you prefer there are a range of exciting colours available to choose from. The roof is covered with bitumen roof tiles available in either black, red or green.
